Portfolio: sathish29001.github.io/Sathish-PortFolio

PROFESSIONAL SUMMARY

Data Analyst with 1.6+ years of experience specializing in SQL, Python, Power BI, GA4, and Marketing/Funnel Analytics. Proven track record of tracking key digital conversion and transaction KPIs, optimizing user acquisition funnels, and analyzing customer behavior to drive business growth, including delivering a **12% conversion rate optimization (CRO) lift** in user journeys. Expertise in customer segmentation, cohort/churn analysis, retention modeling, and translating raw transactional data into actionable revenue insights. Immediately available for onsite roles in Bangalore.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Analytics & BI Tools:** Power BI, Power BI Service, Tableau Desktop, GA4 (Google Analytics), Advanced Excel (Power Query, Power Pivot, Dynamic Arrays, INDEX/MATCH)
- **Databases & Querying:** SQL (PostgreSQL, MySQL Workbench, Google BigQuery, SQLite), DAX
- **Programming & Data Science:** Programming, Version Control & Data Science: Python (Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn), Git, GitHub, Data Wrangling, Scripting
- **Domain & Analytical Frameworks:** E-Commerce & Funnel Analytics, Conversion Rate Optimization (CRO), Customer Lifetime Value (CLV/LTV), Churn & Cohort Analysis, A/B Testing Metrics, Marketing ROI Analysis, Data Pipelines (ETL), Relational Database Architecture (3NF, Star Schema)

PROFESSIONAL EXPERIENCE

Operations & Data Analyst | Vindhya E-Infomedia Pvt Ltd, Bangalore (*July 2024 – January 2026*)

- Engineered multi-step digital conversion and transaction funnels using Advanced Excel, SQL, and GA4 to analyze drop-off points, resulting in a 12% lift in Conversion Rate Optimization (CRO) across targeted user journeys
- Automated weekly reporting workflows and KPI dashboards using SQL queries and dynamic Power Query pipelines, reducing manual reporting time by 6 hours per week
- Enforced strict automated data validation and data hygiene protocols across 10,000+ digital financial records, maintaining 99% data accuracy for strategic business metric tracking

Digital Marketing Intern | ArtyCraftz (May 2024 - June 2024)

- Managed digital marketing campaigns across SEO, PPC, and social media platforms using Google Analytics (GA4) and Meta Ads Manager to track engagement metrics and optimize user acquisition funnels
- Conducted keyword research and on-page optimization using Google Keyword Planner to boost search rankings, improve organic traffic performance, and drive targeted web engagement
- Drafted compelling ad copy, designed social media assets in Canva, and executed structured A/B testing frameworks to improve Click-Through Rates (CTR) and conversion metrics

DATA ANALYTICS PROJECTS

1. End-To-End Churn Analytics & Customer Intelligence | *Python, Pandas, SQLite*

Repository: [Github.com/Sathish29001/Data-Analysis-Churn-Analysis-Project](https://github.com/Sathish29001/Data-Analysis-Churn-Analysis-Project)

- Engineered an automated ETL pipeline integrating customer demographics, subscription history, and support log schemas. Identified a **28.57% overall customer churn rate** and isolated a strong statistical correlation between customer support escalations and user attrition, enabling proactive retention strategies.

2. General Store Transaction Database & Audit | *MySQL Workbench, CTEs, Window Functions*

Repository Reference: [General Store Transaction Database & Audit Project](#)

- Designed a production-ready 3NF MySQL relational database schema to audit **\$2.29M in retail gross sales**. Authored complex SQL queries utilizing JOINS, CTEs, and Window Functions (**DENSE_RANK**, **LAG/LEAD**) to pinpoint high-margin SKUs and evaluate sales velocity.

3. Global Airbnb Performance & Market Analytics | *Power BI, DAX, Star Schema*

Repository Reference: [Global Airbnb Performance & Market Analytics Project](#)

- Developed an enterprise-grade Power BI dashboard analyzing **279K+ listings and 5.3M+ customer reviews** across 10 global cities.

EDUCATION

- **Bachelor of Commerce (B.Com) – Business & Financial Analysis** | SRN Adarsh College, Bangalore
- **Computer Science & Business Applications (CSBA)** | SRN Adarsh College, Bangalore

CERTIFICATIONS & UPSKILLING

- **Digital Marketing and E-Commerce Professional Certificate** | Coursera
- **Data Analyst Professional Certification & Project** | Besant Technologies
- **Professional Certificate in Google Data Analytics** | Coursera
- **Google Data Analytics with Python Certification** | Coursera
